## TYRE TRAC JACK

Rema Tip Top's latest lifting tool is simple in design and drastically helps technicians when mounting and demounting heavy wheel assemblies to and from a vehicle's hub. The Tyre TRAC Jack simply slides under the tyre and wheel and allows the technician to roll the wheel into place.

// ONE BRAND // ONE SOURCE // ONE SYSTEM

# USE THE JACK, NOT YOUR BACK!

*Minimise risk and ensure you are working safely and efficiently with TRAC. No more lifting, rolling or hauling tyres around.*

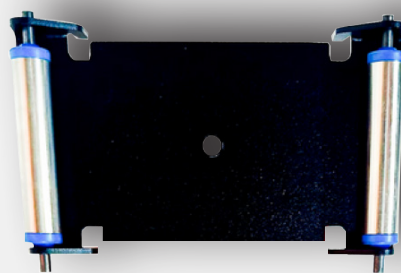

## DETAILS

- ✓ Heavy-duty welded steel construction offers extreme durability
- ✓ Steel base roller offers tire support and rolling convenience
- ✓ Ease of wheel removal and install
- ✓ Simple in design mounting and demounting heavy wheel
- ✓ No need to lift with your back
- ✓ Installation is just as easy
